As you know the Agreement is only viewed and cannot be sent by email for the purpose of absolute security. Other than ny, L, M, myself and you- we are the only ones privy to it. Ny was equally adamant about this.

Probably we should find another place to meet after tomorrow, as I remember you nicely put me in the back seat of your car when the first time you showed me and L the houses, as you said you won't want people to see we're together.

I'm fine with anyplace, if you want to keep the frequent meetings at your home.

Just take a taxi here.
The purpose of driving you when showing you both properties where cameras were present was to protect you from view. When driving you when you were last here and not in view of cameras, was a courtesy to you. When there are only 2 people in the car, it is customary for the passenger to seat in the front seat, unless the driver is a chauffeur 😊.

I apologize for the misunderstanding, as I just don't want to bring you extra concern. 😊

Plus thank you for driving

Cheers!

Thank you. I will look forward to seeing you tomorrow here. We can make whatever minor changes here on my laptop and then print off 2 copies.

And we certainly do not want any further complications for either of us as we want to get our teams going early on Mon. We have already lost a week. So let's get to work and enjoy our work ahead! Best.
